

To whom it may concern

My name is Vic Simon – a customer of Midas Construction Inc owned by Angelo Tassone who I contacted to install laminate flooring in our townhouse. Naturally I expected a nice new hickory laminate floor but by the time the floor was completed I could not believe how warm and comfortable it looked- beautiful coloring and nice clean finish. Kudos to Angelo and his very fine crew for a beautiful floor.

My opinion of Angelo and his very fine crew is 100% fold. They kept the noise, dust and inconvenience to a bare trickle. I find Angelo to b e very fair with his quote and very helpful in suggestions of the job.

Thank you for reading my assessment. I would highly recommend him for any home improvements that need to be expertly finished.
