Dear Angelo:

I would like to take this opportunity to thank you and your crew for a job well done. Re-building my retaining wall was a massive project and I needed someone who could take charge and that person was you. You always kept me informed of progress and respected my input.

The crew was very skilled and worked hard. There were some challenges but they always managed to solve the problem.

I am very pleased with the new retaining wall and privacy fence. The landscaping adds the finishing touch to the area and the backyard looks great, thanks to you and your crew.

Sincerely,

A handwritten signature in cursive script that reads "Bruna Vince".
